

Welcome to The Rose Learning Trust

We are a Multi Academy Trust currently serving 7 primary academies across Doncaster and North Lincs.

The Rose Learning Trust was created in 2016 to improve the outcomes and life chances of pupils in and around Doncaster and North Lincs. We are a trust founded on the shared belief that the best interests of its pupils should be at the heart of our schools.

Our focus is ensuring that all our pupils have the best tools and support to learn and grow socially, emotionally and academically in a safe and nurturing environment.

Our culture is to work positively with all academies that enables them to thrive.

Our Vision
Transforming futures collaboratively

Who are we?

- We are seven primary schools, 6 in Doncaster and 1 in North Lincolnshire.
- Our schools have 2,700 children in a range of different communities across Doncaster and N. Lincs
- Chief Executive Officer (CEO) is Helen Harrison. The CEO's role is to provide leadership and be responsible for the day to day management of the trust

What will change and what will stay the same?

- The school will work closely with the other schools in the trust to collaborate and share best practice. Your school will have a lot of strengths that they can share with schools in the trust and vice versa.
- The school will benefit from support via a specialised central team in school improvement, finance, HR, safeguarding, governance, health and safety and IT.
- The school will still have a local governing body that will focus on your school's needs and priorities supported by the trust board.
- It will be the headteacher and the local governing body that will decide on any changes such as whether the school name or the uniform changes
- We have a lot of opportunities for pupils including:
 - trust choir
 - sporting opportunities
 - the arts
 - pupil ambassadors from each trust school

We look forward to working in partnership with you
